Montclair, New Jersey 07042

My dearest Charmaine,

You are the consummate moderator! Well prepared and generous with your time and spirit. Thank you so much for moderating the Black Ballerina panel here at NJPAC. It was excellent and all of our audience members were happy to be there. I am looking forward to future collaborations with you as we continue to build NJPAC's home for dance!

All the best,

A handwritten signature in purple ink that reads 'Donna'.
